Preliminary Datasheet

Desktop Mount for Sharp Displays

DM01 S C

Achieve the perfect ergonomic positioning to reduce eye, back and neck strain.

The DM01 S C desktop monitor mount features an attractive height adjustable articulating arm that provides optimum ergonomics for monitors up to 34” in size. Designed for easy and fast setup, the clamp-on base allows limitless mounting options on any desktop or countertop surface.

Benefits

Health conscious adjustment – to help reduce eye, back and neck strain, the displays can be positioned to the perfect ergonomic setup

Smooth and effortless display movement – the easy-to-adjust mounting arms allow a floating display movement for perfect adjustment according to your individual needs

Tidy your desk – integrated cable management ensures a clean and professional finish

Simple and universal setup – it takes just a few minutes to connect the monitors, fix the clamp-on mounting base to your desk and be ready to function productively
