Preliminary Datasheet

Wall Mount for Sharp Large Format Displays

Wall Mount PDW C P

Wall Mount PDW C P

Seamless super slim wall mount for C Series large format displays. Portrait orientation.

Benefits

Attractive slim-line integration – achieve the perception of the screen placed directly against the wall as the mount snuggles seamlessly to the back of the display

Ease of use – its simplicity of design and function offers supreme integration benefits

Cost efficient design – the simple mount design offers a favourable price point whilst making no compromise to robustness
