Proyectores

Sharp/ NEC P525UL Projector

- No filter service required – a completely sealed optical laser LCD engine allows a filter-free design and brilliant colour brightness is maintained.
- Low Noise Level – with 22dB*, the silent technology will not disturb your meeting.
- No lamp replacement – up to 20,000 h maintenance free operation possible due to Laser Light Source.
- Risk Group 2 – because of the Risk Group 2 compliance, no prescribed safety precautions are necessary.
- Professional and Flexible Installation – versatile projection characteristics allow for simple positioning of the projector, making installation easy and potentially saving set up costs.
