Proyectores

Sharp/ NEC P554W Projector

- Professional and Flexible Installation – versatile projection characteristics allow for simple positioning of the projector, making installation easy and potentially saving set up costs.
- High brightness – for best performance in bright ambient light.
- Minimized cost of ownership – due to long lamp life and filter exchange intervals.
- Peace of Mind – with future-proof connectivity.
- Cost effective replacement – of existing NEC P model installations to achieve better imaging for lectures and presentations without wall-mount adjustment.
